dear chuck e...

My 7 year old son and I were visiting relatives in Toledo two weeks ago. We learned that Chuck E. Cheese's was walking distance away from where we were visiting. So as a reward for my son completing his math assignments that day, I reluctantly took him to CEC. In the past, I only dropped him off for birthday parties at CEC and deliberately never stayed. Upon entering, we were greeted and welcomed by a staff member named Kia. Kia treated us like royalty. I didn't know how things worked and she eagerly explained how and what to do there and made sure I understood. She also advised me to register the play pass card. Thanks to Kia my son had a blast. I even enjoyed myself. Before leaving, I thanked her profusely. The next day my son and I came back for another day of fun before leaving. Kia was surprised and happy to see us again. We told her that she made our first experience so much fun that we had to come back one more time. This time however I came more financially prepared and we stayed longer. I am so impressed with Kia that I had to take the time to share my experience to the "powers that be". She was professional, happy, caring, knowledgeable and very pro-Chuck E. Cheese. I am now a CEC recruit because of this visit. I didn't expect such great hospitality and customer service. We will be frequenting CEC in our own town as a result. Kia is awesome. Please take the time to acknowledge and reward this employee for her excellent contribution to this company. Don't let this one go. Give her a raise, a promotion. Make her a manager. She deserves it!

Our son, Mason, had his 8th birthday party at store 804 Jacksonville, FL. Our party host, Michaela, was amazing! She was friendly, energetic, and so helpful. She really made our experience a wonderful one. When I told her manager about what a great job Michaela did, she mentioned that if I emailed through the corporate site Michaela might get some type of recognition. I would love for that to happen! She certainly deserves it! We will be having another party for our younger son in October and we will be requesting Michaela for sure!

I just wanted to let you guys know that your store on Shaw in Fresno is so awesome. We went on my daughters birthday and they went above & beyond to make her feel special. All of the employees and the female manager were so sweet. I didn't get all their names but the smaller girl at the entrance and Alex just made my daughter's day. We do go there often because the customer service is so fantastic. Also the food is amazing; always fresh and hot. Please give them a big thanks from us!
